Financial Advice Specialists

Financial Services Guide | Version 8.0

The documents you will receive from us

This Financial Services Guide, which includes the Representative Profile presented with it, is designed to clarify who we are and what we do, and to help you decide whether to use our services. It also contains information on how you can pay for our services and how we aim to ensure your satisfaction with our advice.

In addition to this Financial Services Guide, when we provide you with financial advice, we will also present you with a written Statement of Advice (SOA).

This will describe the strategies, products and services we recommend and outline any fees or commissions we will receive and any associations we have with financial product providers or other parties that have not already been disclosed in this Financial Services Guide.

If you receive further financial advice from us we will present you with either, another Statement of Advice, or keep our own written Record of Advice (ROA). You can request a copy of this by contacting your financial advice specialist any time up to seven years from the date of the advice provided.

We will also provide you with a Product Disclosure Statement (PDS) or offer document for all financial products we recommend, where applicable, to help you make informed decisions.

Giving us instructions

If you want to make changes to your financial plan or provide other instructions, you can contact us using the details in the Representative Profile.

Generally, you will need to give us instructions in writing (eg fax, email or letter) or another method as agreed with your financial advice specialist.
